Monthly RTM Documentation Support

Patient-specific provider activity and patient engagement evidence for the selected monthly period.

Patient	Provider	Period	Status
PAT-0000026	Provider 00002 (PRV-00002)	2026-10	REQUIRES REVIEW

Provider time for this patient

Provider time is tracked independently from patient application engagement. The values below are documentation support only.

Provider activity	Count	Minutes
Data review	1	8.2
Communication	0	0.0
Documentation	1	2.6
TOTAL PROVIDER TIME		**10.8**

Provider work context	Synthetic provider work profile: STANDARD review style; 09:00-18:00 work window; SAME_DAY documentation cadence; PORTAL_FIRST communication preference.

Patient engagement being monitored

Measure	Recorded value
Sessions	2
Reflect Mobile sessions	1
Reflect XR sessions	1
Remote sessions	1
In-clinic sessions	1
Patient engagement minutes	32
Active days	2
Completion	59.6%
Engagement index	37.6
Goal progress	34.6%

Provider activity timeline

Each activity is tied to one provider, one patient, and one billing month. Patient engagement duration is not included in provider time.

Date/time (Eastern)	Activity	Subtype / context	Minutes
2026-10-09T09:47:43-04:00	Documentation	Monitoring Note	2.6
2026-10-09T09:14:30-04:00	Data Review	Recent Activity Review	8.2

Recent monthly comparison

Month	Patient sessions	Mobile	XR	Provider review min	Communication min	Documentation min	Total provider min
2026-10	2	1	1	8.2	0.0	2.6	10.8

Module and documentation detail

Reflect Mobile and Reflect XR are separated so the patient activity being reviewed can be interpreted clearly.

Reflect Mobile	Program	Sessions	Minutes	Completion
Photo Coloring	Creative Calm	1	22.9	100.0%

Reflect XR	Program	Sessions	Minutes	Completion
Hope Tree	Explore Journey	1	9.2	100.0%

Documentation notes

Date/time	Documentation minutes	Note
—	0	No provider notes recorded in V20.

REQUIRES REVIEW

This synthetic report supports provider documentation and human billing/compliance review only. It does not determine diagnosis, treatment, CPT eligibility, coverage, medical necessity, or reimbursement. Provider time is kept separate from patient application engagement time.
